

Orientation Correction for Hector SLAM at Starting Stage

Weichen Wei, Bijan Shirinzadeh, Chao Chen, Shunmugasundar Esakkiappan, Mohammadali Ghafarian and Ammar Al-Jodah
Robotics and Mechatronics Research Laboratory, Department of Mechanical and Aerospace Engineering, Monash University

- Orientation of Hector SLAM is hard to define
- Hector SLAM's pose estimation joggling at starting
- Using a reference frame could help re-orientate Hector SLAM
- This study discussed reorientation of Hector SLAM using ICP algorithm.

Comparison of trajectory with algorithm active and inactive.
